## Indian Stock Market & IPOs

### Qatar warns crude oil could hit \$150 per barrel if Mideast war continues. What it means for stock markets?

Qatar has warned crude oil could surge to \$150 a barrel if the Middle East conflict escalates, threatening Gulf energy exports and global supply routes through the Strait of Hormuz. Higher oil prices could fuel inflation, weaken growth, pressure currencies, and trigger risk-off reactions in stock markets worldwide, including India.

### Global Markets | Europe's STOXX 600 inches up but set for worst week in nearly a year

Europe's STOXX 600 edged higher Friday but was set for its worst weekly performance in almost a year due to the escalating Middle East conflict. Defense stocks provided a boost, though gains were limited by declines in the healthcare sector. Investors await key economic data and central bank speeches.

## Marketing, Brands & Consumer Trends

### Telcos, tech firms clash over India's enterprise internet

Trai is reviewing decade-old price caps on business internet lines, pitting telecom giants against tech firms over market fairness and transparency. The outcome could change how enterprise connectivity is priced and accessed nationwide.

### Quick money transfer to Dubai? Central banks are stepping in to help

The e-Rupee link with the UAE will make money transfers a breeze between the two countries. UAE, home to the emirates of Dubai, Abu Dhabi and Sharjah, accounts for 19.2% of remittances into the world's fourth-largest economy. The CBDC link will bring the two closer.
